

Work Experience

Video Editor & Camera Operator - Linus Media Group

Apr 2021 - Feb 2024 (Fulltime), Sep 2024 - Present (Contract)

Collaborate with a production team to produce viral technology-focused video content across several platforms and channels. Personally edited over 350 videos that have accumulated approximately 500 million views on YouTube.

Freelance Video Editor & Producer

Feb 2024 - Present

Utilize my expertise in video editing, motion graphics, color grading, sound design, and video game cinematography to provide clients with high-quality, timely assistance with various video projects.

Video Animator / Editor - MetaOptima Technology Inc.

Sep 2020 - Apr 2021

Created health-technology video content for software training, hardware demonstration, and marketing. Executed filming, editing, animating, and organizing files for each project as necessary.

Multimedia Editor - The Peak SFU

Jan 2019 - Aug 2020

Managed the production/creation of digital video content for the online presence of SFU's student newspaper. Projects include weekly video features, social media content, and podcast episodes.

UX / Graphic Designer Co-op - Plasmatic Technologies Inc.

Jan 2018 - Aug 2018

Designed the interface of a consumer-facing smart home app dashboard and implemented workflows for the software development team. Produced additional graphics, print materials, and presentations needed by the executive team.

Personal Development

Content Creator - @kacboy

Oct 2022 - Present

Write, film, and edit Playstation and video game content on my own branded YouTube Partner channel - over 600K views and 1.7K subs.

Video Producer - Push Square

Oct 2018 - Oct 2019

Independently created videos for Push Square, a PlayStation-focused news outlet. Published timely video features, guides, and conducted in-person interviews/previews with developers at PAX West 2019.

Director of Web & Social Media -IATSU

May 2017 - Apr 2018

Responsible for the management of student union social media channels and website. Generated relevant content, announcements, and web pages for campus activities.
